

Strategy Comparison: Net Economic Benefit by County

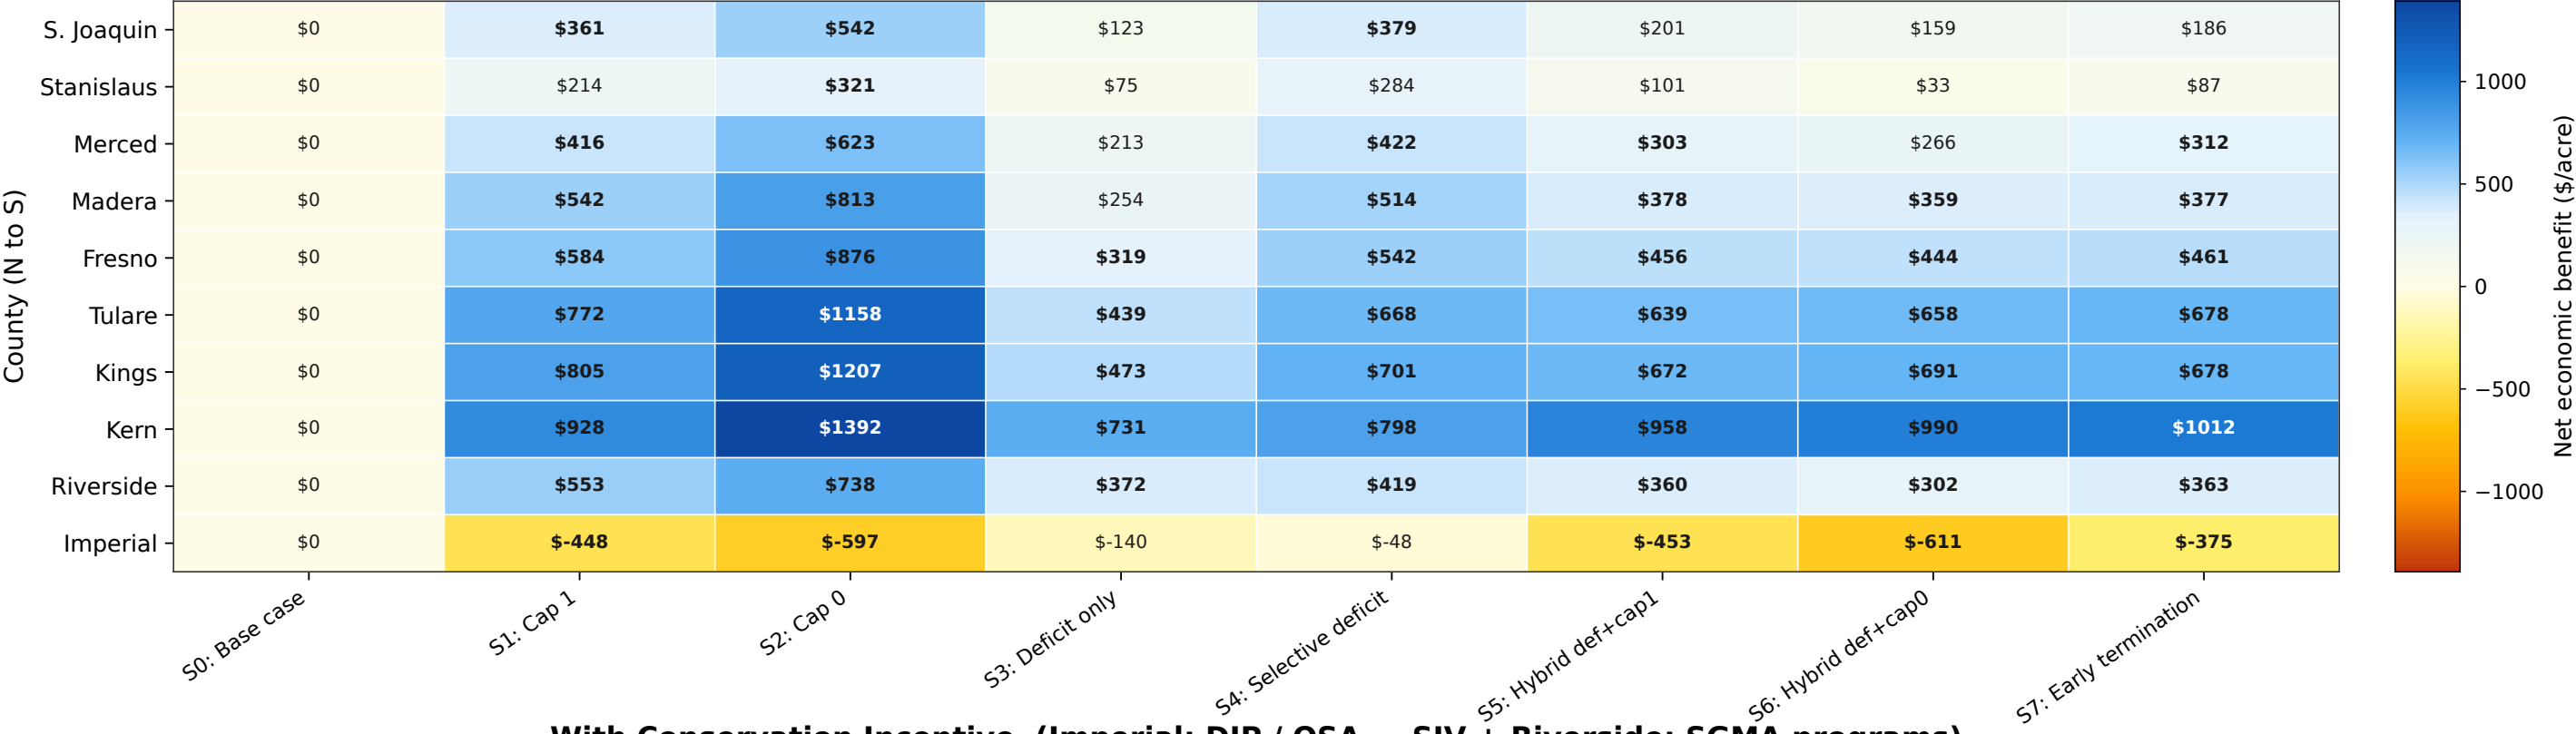

(a)

Normal Water Year Pricing

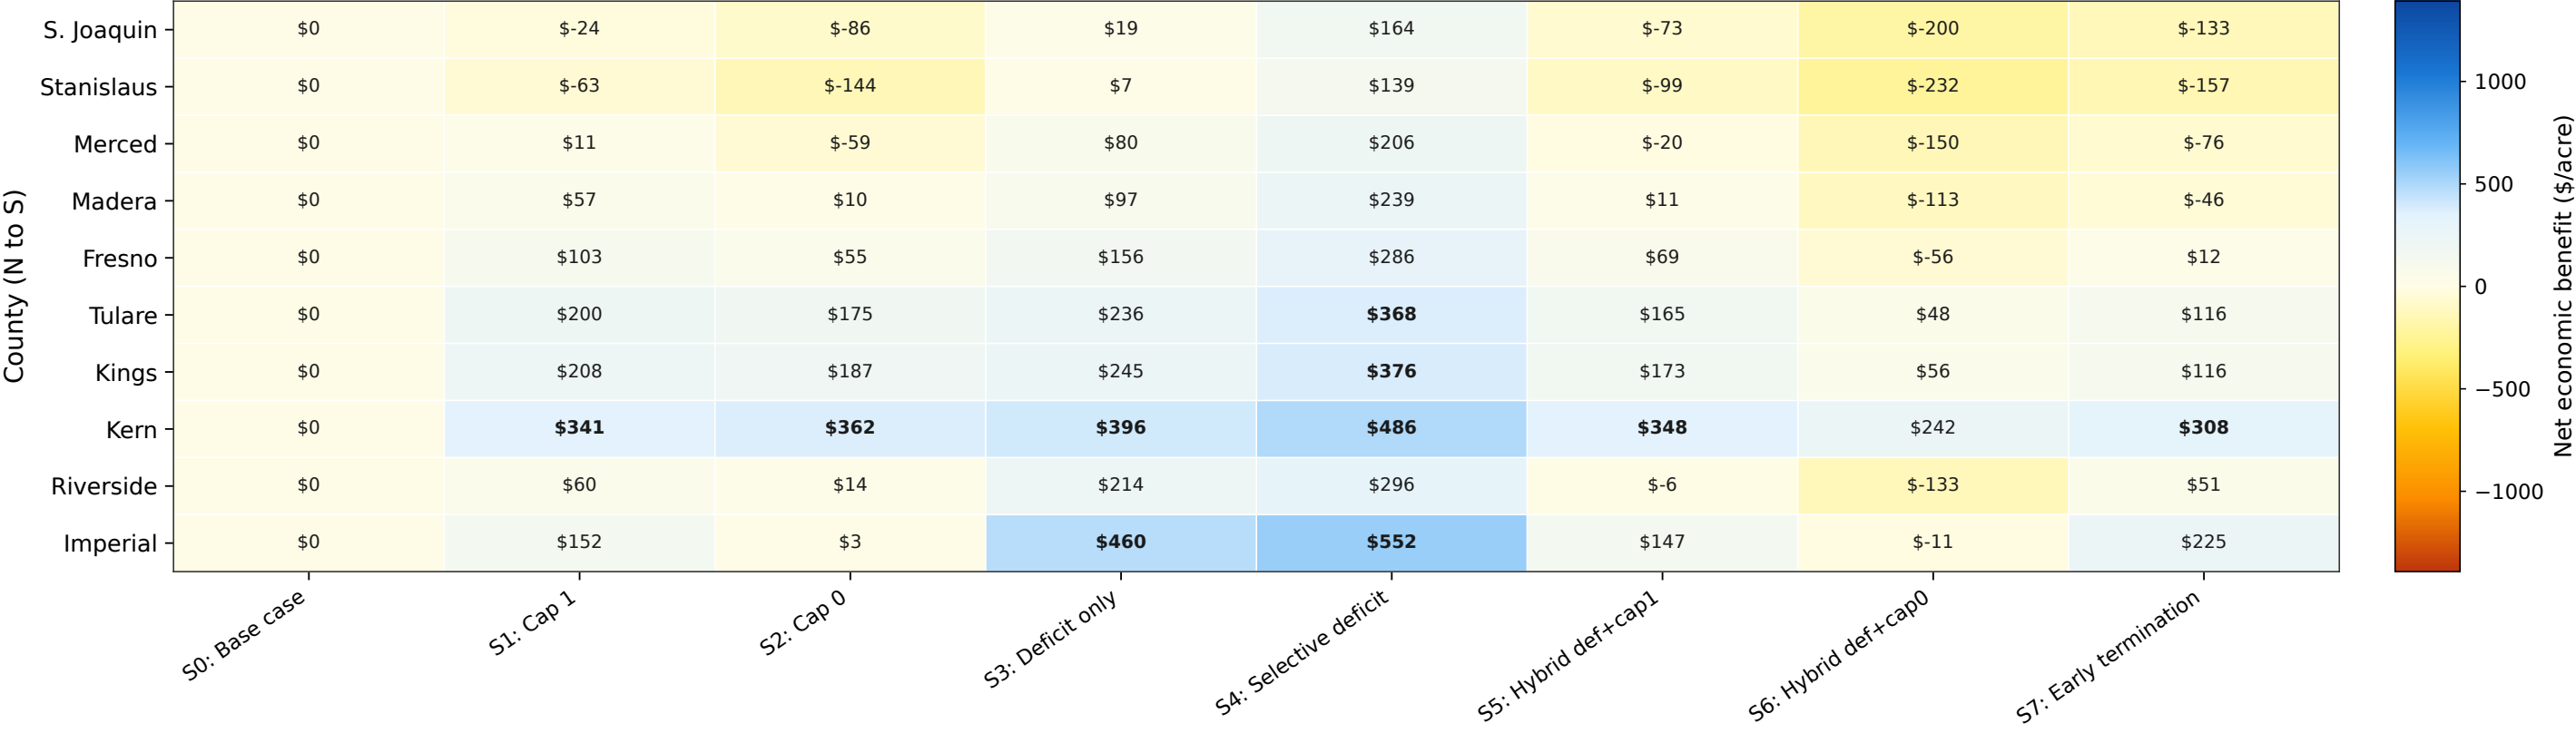

(b)

Drought Water Year Pricing

(c)

With Conservation Incentive (Imperial: DIP / QSA · SJV + Riverside: SGMA programs)

Regions: North SJV (n=3): San Joaquin, Stanislaus, Merced | Central SJV (n=5): Madera, Fresno, Tulare, Kings, Kern | Desert (n=2): Riverside, Imperial

Incentive: Imperial = IID Deficit Irrigation Program / QSA (authoritative, ~\$600/ac). Riverside = PVID-MWD forbearance + Coachella SGMA (illustrative). SJV counties = SGMA-driven programs (DWR LandFlex, MLRP) — illustrative estimates, not official rates.
